AGE: 22
CURRENT GRADE: 12
COMMUNITY OF ORIGIN: Goodwood
BELIEF SYSTEM: Christian

I speak 4 languages (English, Zulu, Sotho, Sotwana) I grew up in Joburg an only child. But when I was growing up there was always tension in the house which distracted me; I guess that is why I failed in some of my grades before.

I am close to my mom. I don't remember talking to my dad ever since I was a kid. My dad is very abusive verbally to me and to my mom. He tells me I am "useless".

I moved to Cape town in 2006 with my aunt so I can concentrate on school.

My most recent challenge was failing. I have learned to look back on the mistakes I made and work harder. I also learned to have less pride and to ask for help when I need it.

interACT- I want to participate in this program and be empowered from it. It will help me in the right way because what I have wanted in my life is a mentor.
