AGE: 21  
CURRENT GRADE: 12  
COMMUNITY OF ORIGIN: Limpopo  
BELIEF SYSTEM: Christian

I grew up in Limpopo. My mom asked me to leave school after grade 8 to work and help support the family, but I wanted to finish school so I moved to Cape Town to live with my aunt.

*I understand i will achieve my dreams one day  
I say i can touch the sky  
I dream ill pass my matric  
I try to help those who are in need  
I hope one day ill be a better person  
I am sweet and quiet*

Challenges teens face today:having babies for grants of 200 rand/month. People must think of the consequences. Crime, lack of priority on education.

**interACT-** I think this program is going to change me a lot in my life. It is going to encourage me in the meaning of my life and future.

### **FUTURE PLANS AND NY**

I want to continue my studies in business management and become a businesswoman.

**join us in investing in the greatest assets on earth; human lives**
